Chris,

Would you please add the following request to the Selectmen's meeting for Monday night:

The Conservation Commission request that the Board of Selectmen appoint Toros Maksoudian as a full voting member of the Conservation Commission. Toros has been an associate with the Commission for approximately one year now. He will fill the vacancy created by the resignation of Linda Serafini (see attached letter).

-Thank-you

Hi All,

I'm writing to let you know that I'd like to resign from the Conservation Commission. I've very much enjoyed getting to know you all and working with you, as well as the other members of the Commission, during the past 3 years but I am finding that my work schedule doesn't permit me to do the position justice. I had thought awhile ago that my work schedule might improve and allow me to start attending more site walks, etc. but that doesn't look like it will happen anytime soon. I am also doing more travel for work which means I am needing to miss meetings. Especially now that there is a full commission with alternates, it makes sense to let an alternate take my place.

So, please accept this as my resignation and let me know if you need anything more formal. I really enjoyed working with you and I am sure I will continue to see you around Acton. Keep up the good work!

Best, Linda Serafini
